Vendors selling products that reflect our Scottish themed event will be considered. We work to ensure that a variety of products are offered. Please answer all questions. You may provide answers on an attached page.

1. List the products you sell that define your business. (be specific)
2. What other items do you sell that enhance your defining products?
3. Please explain how all of your products are appropriate to our Scottish theme.
4. Do you manufacture any of your products yourself? (if yes, please describe)
5. What does your business have to offer that sets you apart from other vendors selling Scottish or Celtic products in a festival setting?
6. How many years have you been in business?
7. What other festivals or highland games have you attended and when?

If possible, please provide photos of your products, and a photo of your business set up in a festival setting. If you have a website or facebook that clearly represents your business you may provide the web address instead.
